# Southern Opens I.H.A.C. Play Tomorrow With Normal

## SYCAMORES TOPPLED 59-53

The Maroons scored their second straight win over Indiana State Teachers, 59-53, at Terre Haute last Saturday night.

Don Sheffer led the scoring attack for Southern with twenty points, and Dick Foley, freshman center, made fourteen in the last half. Ed Lash, Indiana guard, led his team with 16 points.

Southern pulled into the lead in the last four minutes of the first half and from then on were never

headed. The score at the intermission was 30-24. During the first period the Sycamores came within seven points of the locals, but were unable to break Southern's lead.

S.I.N.U. players connected with 29 field goals but were able to sink only one charity toss.

## A VICTORY OVER NORMAL WOULD MAKE SOUTHERN ONE OF MIDWEST'S BEST TEAMS

Coach "Abe" Martin and his Maroons open up their Illinois Intercollegiate Athletic Conference game schedule here Saturday night when they play host to Illinois State Normal of Bloomington.

Old Normal has won only three games out of ten already played this season, whereas Southern has won six out of seven. Normal's last defeat was at the hands of a strong Great Lakes squad, 67-59, Tuesday night. It is interesting to note that both Southern and Normal beat Indiana State by the same score, 59-53.

Normal has on their squad two former Michigan All-State players, Roy Schaefer and Robert Carter, who played for Lansing Central two years ago. Other members of the team are Gerald Rust, T. E. Adams, and Court McAdams.

Martin will probably start his regular lineup of Sheffer, Cabatt, Milosevich, Holman, and Foley. The locals win this game they will not only become favorites for the I.H.A.C. championship, which Old Normal has held for three years, but will be recognized as one of the Midwest's strongest teams.

An interesting sidelight on tomorrow night's game is that Normal will present a Carbondale boy in its lineup against Southern. He is Warren Day, who was graduated from Carbondale Community High School last year and who is now a Navy trainee at Normal. In high school he was with two cage letters, T. E. Adams, and Court McAdams, who were valedictorians of the Class of 1944.

## S.I.N.U. DEFEATS EVANSVILLE BASKETBALL SQUAD, 68-52

Southern chalked up their first victory of the new year here last Friday night, defeating Evansville College, 68-52.

During the first ten minutes of the first half both teams played on an equal, but before the half ended Southern had rolled up a comfortable lead of 25-7.

Evansville attempted a brief comeback in the last period, coming within two baskets of the locals, but again the Maroons' urgent attack to lengthen their lead.

Sam Milosevich led the Maroons in scoring with 27 points. He sank eleven free throws and eight layups. Don Sheffer was next in line with 12 points.

Although the locals outplayed their opponents in individual play, they did not get on team outplay Evansville. It is to be noted that work of the Hoosier crew, which featured fast break plays, thrilled the fans throughout the game.

Evansville was playing without the services of their regular star, Northwood center and second high jumper, Dick Graham, who was induced into military service, Thursday before the game.

## D.S.E. Sponsor Scrap Drive

The Delta Sigma Epsilon is making preparations this year to conduct another scrap drive similar to the one last year. The scrap drive is to be held at the O'Reilly hospital in Springfield, Mo., articles and scraps which can be used in their rehabilitation program for the veterans of this war.

Last year the DSE collected over ten cartons of material to send, and this year will be no exception. Scraps collected by Delta Sigma chapters throughout the country supplied one whole wing of the O'Reilly hospital.

This year the drive will start officially on Saturday, January 20. On that day a city census will be made and all contributions collected.

Any students who have the following materials are asked to drop them by the Chapter House at one South University or call 522 and give name and address so that the scraps can be picked up.

The articles or scraps requested for the drive are:

Buttons, buttons of any kind.

Costume jewelry, quantity, pins, barbs, and earring backs.

Scraps of brass and copper.

Sewing needles and pins.

Leather scraps.

Hook and needle.

Zipper.

Old hats.

But one piece of each.

Elastic.

Yarn.

Anyone having any of these articles should get in touch with the Delta Sigma Epsilon and they will be collected. For this drive will continue the present program. This is one small way of helping out our veterans of this war.
